Table 2

Example 2

Composition

Fat and oil material:

Vegetable oil 15 mg

Material of limited oil-solubility:

Gymnema sylvestra powder 210 mg

Dietary fiber 30 mg

Water 45 mg

Total 300 mg

Fat and oil material 5 %

Material of limited oil-solubility 70 %

Dietary fiber 10 %

Water 15 %

Total 100 %

Suspension stability

Temperature of 50°C No separation

Centrifuging No separation

Workability Good

Liquid leakage No

Stability with time  
(Appearance, smell, tone) Good

Suspension No separation
